

Permanent Orienteering Course

We hope you enjoyed the orienteering course at Talkin Tarn. You are free to explore the country park and use the permanent orienteering course as many times as you like. Use it to explore some of the areas away from the tarn edge.

Orienteering is about the navigational challenge, but at the top end of the sport it's about getting around the course as fast as possible. So getting the right balance between speed and accuracy is essential.

One challenge at Talkin Tarn is to see how long it takes to visit all 39 control markers. Starting & finishing at the usual point there are numerous possible ways to attempt this. If you do try, a time of 35 minutes or less would be very good!

Outdoor adventure awaits! There are over 500 permanent orienteering courses spread throughout the UK. Nearby courses are at Whinlatter Forest and Walltown Crags, Greenhead.

Further information on these and other permanent courses can be found on the British Orienteering website by following the menu link 'Go Orienteering, Permanent Courses', where you can search the whole of the country or narrow the search by entering your postcode.

Move beyond the permanent orienteering courses by going to a local orienteering event. This is where Border Liners come in!

Border Liners Orienteering Club, founded in 1969, has been the orienteering club in North & East Cumbria for over 50 years. We have members of all ages between 5 and 85, so whether young or old orienteering is a great way to see the countryside, improve your fitness, health and wellbeing, and make new friends.

Beginners are welcome at most of our orienteering events - you don't need to be a club member to take part, but membership is encouraged if you decide to take part in events more regularly or want to come along to our club activities & training.
